Rydyn ni'n deall gwerth datblygiad personol a phroffesiynol a chredwn ei fod yn bwysig cael gweithlu cymwys a symbylus. Mae gan ATL y rhaglen helaethaf o gyrsiau ar ddatblygiad proffesiynol a phersonol am ddim o'r holl undebau athrawon.

Hefyd, mae ATL yn rhagweithiol wrth arwain y ffordd yn y ddadl addysg. Rydyn ni'n defnyddio profiadau ein haelodau i ddylanwadu ar bolisïau addysg ar asesu, y cwricwlwm a newidiadau 14-19 ac rydyn ni'n gweithio gyda'r llywodraeth a'r cyflogwyr i sicrhau cyflogau ac amodau gwaith teg.

Who is ATL?

ATL is the union for education professionals across the UK. Led by members, for its members, we are active in the maintained, independent and post-16 sectors.

Fresh approach

ATL members expect more than just the standard benefits offered by other unions – after all, trade unions everywhere offer advice and support.

We understand the value of personal and professional development and we believe it's important to have a well-trained and motivated workforce. ATL has the most extensive free programme of courses on professional and personal development of all the teacher unions.

In addition, ATL is proactive in taking a lead in the education debate. We use our members' experiences to influence education policies on things like assessment, curriculum and 14-19 reforms, and we work with government and employers to secure fair pay and working conditions.
