the education union

**No other education union offers as much CPD
and extensive career development**

As the UK's leading education union, ATL invests heavily in the areas that matter most to our members. From training and CPD opportunities that can lead to further qualifications, to legal advice and representation on a range of professional and employment issues, ATL meets your needs throughout your career.

To join, visit www.atl.org.uk/join or call 0845 057 7000*
