

# ATL: FURTHERING EDUCATION

ATL is the only union nationally recognised by the Association of Colleges and the Sixth Form Colleges' Forum. We negotiate with government, colleges, principals and employer bodies for better pay, pensions and working conditions.  
Join ATL to make your voice heard.

## ATL backs the 'Time to Pay Up' campaign

ATL believes FE employees should benefit from the same level of pay as colleagues in schools. Join ATL to campaign for fair pay.

## ATL calls for clarity over 14-19 reforms

ATL believes all staff should be consulted on local plans for 14-19 reforms. Join ATL for support in gaining a clear picture of what's expected of you and your colleagues.

## ATL supports your professional development

ATL believes your employer should support your entitlement to 30 hours CPD. Join ATL to get the right training for your career and access to ATL courses for FREE.

## ATL demands parity of FE funding with the school sector

ATL believes that government should fund the FE sector at the same level as schools. National funding affects your conditions of employment and the economy of your college. Join ATL to press for equal funding.
