WE SUPPORT YOU THROUGHOUT YOUR CAREER AS WELL AS AT TIMES OF NEED

Join the union that offers you much
more than just advice and support

ATL is the union for education professionals across the UK. Led by members, for its members, we are active in the maintained, independent and post-16 sectors. From early years to HE, teachers to support staff, lecturers to leaders, we support and represent our members throughout their career.

By joining ATL you will have peace of mind knowing that first-class support, professional advice and representation is always available, as is insurance cover and personal injury protection. In addition you will have access to free publications, resources, website www.atl.org.uk, award-winning member magazine *Report* and newsletters, plus more CPD for your personal and professional development than any other union.

And with great rates for all our members, including 50% off your first year's membership for teachers and lecturers, you won't find a better union.
