

NEU ATL Pre-Conference Christian Service St Michael in the City Sunday 8th April 6.45 pm

St Michael in the City is in the heart of Liverpool, in the shadow of the Anglican Cathedral, with a small friendly congregation who meet on a Sunday morning. The church building is a functional replacement for the original, which was modelled on St Martin in the Fields, but which sadly suffered comprehensive damage in the May 1941 blitz.

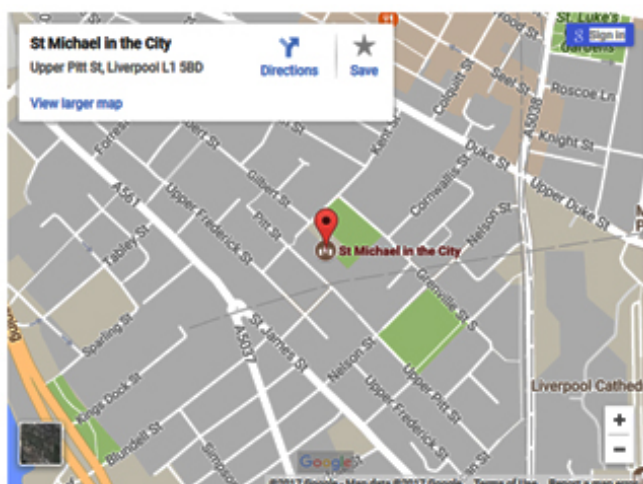

The church (at L1 5BD on Upper Pitt Street) is a ten-minute walk from the Conference Centre and the hotels. There is a small car park at the front of the church.

The service provides an opportunity to reflect on the needs of Education and to pray specifically for the work of Conference.

Our service will start at 6.45 pm and will be led as usual by Conference members and local members of the education service, with an invited guest speaker.

The NEU ATL Pre-Conference Service is an ecumenical Christian service open to all who would like to attend, of any faith or none and whether or not members of NEU and ATL.

Coaches to the Church will be provided from the Conference Centre at 6.25 pm. After the service, which will last about an hour, coaches will return to all the hotels.
